CIEET 2019 Highlights

CIEET 2019 had 27,000 visitors with over 200 media outlets reporting nationwide.

A survey of the level of study abroad in which the visitors were interested has shown that language courses account for 5%, the high school level accounts for 35%, the undergraduate level accounts for 40%, the masters and PhD levels account for 18%, and all others account for 2%. From this it can be seen that most Chinese students are inclined to choose to study abroad at the undergraduate and graduate levels.
